There are two important events at the 2012 SCCM Annual Congress in Houston that I would like to highlight for all members of the Pediatric Section (faculty and fellows) who will attend this meeting, February 4-8:

- 1) The 1st Annual **Pediatric Section Reception** will be held **Sunday evening, February 5, at 5:00 P.M. at the Hilton Hotel** (*Lanier Ballroom A, located on level 4 of the hotel*). We will have a large screen set up to watch the Super Bowl, as well as light food and a cash bar. We plan to make this an annual event to promote a more cohesive section.
- 2) All members of the section are encouraged to attend the **Pediatric Section Business Meeting on Monday, February 6, 2:15 P.M. to 3:15 P.M. in room 381A at the Convention Center**. This meeting is specifically designed to make our section more interconnected and effective by discussing ongoing clinical, research, and training issues that impact our specialty.

Other important Pediatric Section meetings are outlined below, please check the Program and Exhibition Guide for any changes regarding meeting dates and/or times. You can also download the Congress App to access sessions, business meetings and other valuable information. Point your mobile browser to www.sccm.org/ccc41app to access.
